**REVIEW OF 2021 DEPARTMENT BUDGET**

**1. Land and Water Conservation – Review of 2022 department budget.**

County Conservationist Mike Mushinski referred to pages 203-208 in the budget book and spoke to their Initiatives for 2022. Technician Rama Zenz was present to speak to their funding. They had a large number of grants and funding sources to track. She noted they had about a half a million dollars that they received both federally and from the state. Most came from an Upper East NRDA Grant and the National Fish and Wildlife Foundation. They were actively seeking grants and there were ones out there they haven't heard from yet.

Mushinski informed \$20,000 will be earmarked for the Fox-Wolf Watershed Alliance. There will be a budget adjustment out of the County Executive's budget as it wasn't part of the budget yet because they were waiting for the workplan to get submitted. It was a partnership between the Alliance of the Great Lakes, Fox-Wolf Watershed Alliance, and several counties.

**Motion made by Supervisor Landwehr, seconded by Supervisor to send the Land Conservation budget to County Board. Vote taken. MOTION CARRIED UNANIMOUSLY**

2. **Resolution Approving New or Deleted Positions During the 2022 Budget Process in the Land & Water Conservation Department – LTE Intern.**

Mushinski informed they had a UWGB student getting their graduate degree that was doing the water quality monitoring program. They want to keep her and continue to track good students. This was a way to get a little extra staff time without a full-time person.

**Motion made by Supervisor Chu, seconded by Vice Chair Kaczmarek to approve. Vote taken. MOTION CARRIED UNANIMOUSLY**
